

REMARKS

Claims 5-14 and 22-45 are pending. By this Amendment, claims 5-9 are cancelled. Following entry of this Amendment, claims 10-14 and 22-45 will be pending. No new matter will be incorporated into the present application by entry of this Amendment. If the Office determines that any additional fees are deemed to be necessary with the filing of this Amendment, then the Office is authorized and requested to charge such fees to Deposit Account No. 061910.

The cancellation of claims 5-9 is not requested to overcome any prior art or other patentability issue, but is only done to further pursue the business endeavors of the Application. Therefore, Applicant maintains that the original claims are patentably distinct over the applied prior art references. Therefore, Applicant expressly reserves the right to pursue the original claims, or other claims not having all features of the present claims, in further prosecution.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested. The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution

Respectfully submitted,
